

MEMBER BENEFITS

Would you like to become a member?
Join us and enjoy the benefits we have for you

- Connecting with more than 250 European robotics stakeholders from industry, research and government
- Representation of your organization at international, national and regional level.
- Benefiting from our links with ADRA, the private side of the Public-Private Partnership with the European Commission as well as with other organizations
- Connecting with AI communities

- Participating and networking at the European Robotics Forum, the most influential event for the robotics and artificial intelligence community in Europe as well as in the European Robotics Week, the European Robotics League and in different workshops
- Increased visibility during major events (through sponsoring and exhibition, videos, interviews...etc) as well as on our social media.
- Possibility of hosting exclusive European Robotics events such as the European Robotic Forum.

- Participating, influencing and networking in more than 30 topic groups (our think tanks) covering a wide range of market sectors, technical and non-technical topics.
- Priority in becoming part the governing structures of the topic groups.
- Simplified procedure and discount when applying for ADRA membership.
- Regular Newsletter with the latest news.
