EUROPEAN ROBOTICS WEEK
eu ROBOTICS at the heart

ERW2026 Launch Event

30 Oct - 1 Nov, Bucharest, Romania

Sponsoring Packages

The European Robotics Week (ERW) was conceived at the European Robotics Forum (ERF) 2011 by the desire of the European Robotics community to bring robotics research and development closer to the public and to build the future Robotics Society.

This year the Launch Event of European Robotics Week will take place 30 Oct - 1 Nov 2026 at Politechnica University in Bucharest, Romania.

The local organizers and euRobotics have established a vibrant program with unique sponsor opportunities:

GOLD SPONSORSHIP

SILVER SPONSORSHIP

BRONZE SPONSORSHIP

Local organisers

eu ROBOTICS · BUCHAREST PROMOROBOTS · cluster · ROBO HUB · IWE HUB for digital transformation

Benefits for sponsors during our event

- Play a critical role in inspiring public, children and students by investing in STEAM education by presenting your organisation and your products or services directly via our conference,
- Increase your marketing opportunities by being visible on different websites, Social Media and associated marketing materials related to ERW,
- Enjoy interesting speakers from the robotics and artificial intelligence community that will share their experiences and vision with you during a vibrant program,
- Build and reinforce strategic relationships with top-class representatives of European robotics from industry and science as well as personalities from politics and society in an informal setting.

Are you interested in becoming an ERW2026 sponsor?
