

How regions can benefit from robotics and *how* the EU can support innovation processes

Brussels, CoR, 23-11-2017

Hosted by

European Committee
of the Regions

1. Welcome by Markku Markkula,
First Vice President, Committee of Regions, Brussels
2. Cécile Huet: Expectations for DIHs in the ICT Workprogramme 2018
3. Krzysztof Mieszkowski: How the Smart Specialisation Platform for Industrial Modernisation supports EU regions in implementation of their Smart Specialisation Strategies (S3)?
4. Jan Larosse: Regions and cities as living labs for new solutions facilitated by robotics
5. Panel discussion “Why, and how regions should become active”
(moderator: Uwe Haass)
